# Unpacking Lauryn's Law: Approaches to Prevention, Intervention and Postvention

Approaches to Prevention, Intervention and Postvention course satisfies the Maryland State Legislation law HB0947 and the COMAR regulation 13A.12.03.02, regarding school counselor certification/re-certification requiring that prior to the renewal or reinstatement of their current certificate, an educator certified

as a school counselor shall provide coursework, professional development, or continuing education contact hours required by COMAR regulation 13A.12.03.02 to address the need for intervention or referral in response to indicators of mental illness and behavioral distress including, but not limited to depression; trauma; violence; youth suicide; and substance abuse.

This course for school counselors provides a current, interactive overview of these skills and supports participants' development/acquisition of a resource bank for distribution to parents or guardians, school staff, and students, as appropriate.
